

GET CONNECTED ON THE MELIORA COLLECTIVE

This innovative online platform enables members of the University of Rochester community to connect, explore opportunities and resources, and offer or receive guidance to achieve personal and professional goals. With advanced tools and features, making the most of your University of Rochester community has never been easier.

Connect by school, majors, expertise, identity, University experience, and more

Explore careers and industries

Expand your network

Join Groups to connect with people who share interests and experiences.

Post or find job opportunities

And more!

Don't miss this!

University-wide Mentorship Program—Held twice a year, work with your hand-matched mentor or mentee over a three-month period to navigate the many personal and professional paths in life.
