Class of 2020**

UNIVERSITY *of* ROCHESTER

To my caring, selfless, and patient family: thank you for being there to celebrate my successes and support me through the challenges of college. Thank you picking up the phone, no matter what outrageous time I called, and for always validating my feelings. This was not just my college experience, it was ours. I love you all so much.

- Rachel Goodman

Muchas gracias por todo el apoyo que me han brindado. No podría haberlo hecho sin ustedes. Me has regalado tantas herramientas que usaré, y ahora con estos títulos las posibilidades son infinitas. Gracias por tu apoyo, los amo.
- Alan Alberto Alvarado Gutierrez

Thank you to my parents and three older sisters for their constant support, encouragement, advice and love these past four years at Rochester! I'm so lucky to have you all as role models and I could not have done it without you. Above all thank you for always believing in me!

Thank you to my amazing family for being such an important support system throughout not only my college career, but my entire life. You have been some of the biggest role models to me and I know I wouldn't be where I am today if not for all of your guidance and love. Love you all and thank you for everything.

- Julia Carr

Thank you so much for all the support, love, and guidance you have given me throughout my four years at Rochester. Without you to turn to for questions or advice, I don't know what I would have done. I don't have enough words to describe how much you both mean to me. Thank you so much for believing in me.

- Brian Filipiak

Thanks Mom and Dad,
my family for
supporting me for four
years in college! As an
international student, it
was definitely not an
easy decision to make
when I decided to come
to the US and pursue
my undergraduate here.
谢谢我的父母和家人在四
年的大学时光里一如既
往地支持我！

Dear Family,

As I graduate, I look back at four years of memories—changes, struggles, successes—all connected by you. They began with your trust when I left home, were nurtured by your overwhelming support, and now end with your unconditional love and praise. I cannot thank you enough and I promise to make you proud, all the time.

Alyssa

Thanks so much, cc and aygg! I appreciate you teaching me to count to four! Shoutout to y'all for being the best parents.

- Olivia Montana Canavan

Dear Family,

I couldn't have done it without you! Thank you so much for all of your unyielding support and love through these four years (and the 18 years leading up to this college experience)! You've been there for me when I was successful, when I was stressed about being successful, and everything in between. I love you!

Love,
Samantha
