

International Co-op/Internships & Research Opportunities

All co-ops/internships listed are **PAID**, unless otherwise indicated

To view information for any organization listed below:

a. Point and click with your mouse on the **Sponsoring organization's name** to go to its **homepage**. If the Sponsoring organization is in the US, the **location of the co-op/internship opportunity is bolded**

b. Point and click with your mouse on **co-op** to go to the **international co-op/internship/research postings** for that organization or to the website from which you can then access the co-op/internship/research postings.

- [Alabama A&M University](#), Huntsville, AL - [co-op, application \(2017\)](#) REU-China: Ecological and Environmental Research in an Urbanized Landscape - "three days at AAMU followed by six weeks at [Nanjing Forestry University](#) in **China** and the remaining three weeks again at AAMU" - "Each REU participant will receive a \$3000 scholarship, paid bi-weekly for the duration of the program. Travel, housing, and research related expenses will be covered"
- [Bermuda Institute of Ocean Sciences](#), Bermuda Islands - [co-op \(FALL term 2019\)](#) Research Experiences for Undergraduates (REU) Program
- [Brown University](#), Providence, RI - [co-op, application \(2019\)](#) Brown University Minority Health and Health Disparities International Research Training Program in **Brazil, Dominican Republic, Ghana, Mexico, Peru, Samoa, The Philippines, Ukraine**
- [California State University-Fullerton](#), [Department of Biological Science](#), Fullerton, CA - [co-op \(2019\)](#) Minority Health and Health Disparities **International** Research Training Program at foreign [Participating Institutions](#) - **not** sure if this is a **paid** opportunity
- [Ceballos Lab](#), [University of Arkansas](#), Fayetteville AK - [co-op \(2019\) Application](#) is for **2019** - Research Experiences for Undergraduates: Indigenous America to Indigenous Mekong Basin (**Vietnam & Thailand**): Adventures in Biology and Biodiversity - 5-6 weeks spent abroad in either Vietnam or Thailand focused on data collection, followed by a 4-5 week domestic component either in Arkansas (mid-lower Mississippi River region) or in northern Minnesota (upper Mississippi River region)
- [Center for the Environmental Implications of NanoTechnology](#), [Duke University](#), Durham, NC - [co-op \(2018\)](#) Research sites include four **CEINT partner institutions**: Duke (NC), Virginia Tech (VA), and Carnegie Mellon University (PA) as well as the

[European Center for Research and Education in Geosciences and the Environment \(CEREGE\)](#) in **Aix-en-Provence, France**- "open to undergraduates who are majoring in engineering, chemistry, **biology**, physics, **ecotoxicology**"

- [Central Caribbean Marine Institute, Cayman Islands in the central Caribbean Sea](#) - [co-op, application \(2019\)](#) [scroll down](#) to Rutgers CCMi Coral Reef Internship in Marine Ecology & Conservation - **not** sure if this is a **paid** opportunity
- [Christian Brothers University](#), Memphis, TN - [co-op \(2019\)](#) Minority International Research Training (MIRT) program - Research projects in **Brazil, Nicaragua, and Uganda**
- [DAAD Rise Germany](#) - [co-op, application \(2019\)](#) "offers undergraduate students from North American and British universities the opportunity to complete a summer research internship at top German universities and research institutions" - "Students are matched with a host university or institute according to their area of interest (**biology**, chemistry, physics, earth sciences, engineering, or a closely related field) - DAAD provides students a stipend of 750 Euros/months for three months to help cover living expenses. Also covers international travel costs with an international travel subsidy. Host universities and institutes provide housing assistance and match students with Ph.D. student mentors. - German language is **not** required" - All applications have to be submitted by December 15, 2018 online
- [Duke University, Center for the Environmental Implications of NanoTechnology](#), Durham, NC - [co-op \(2018\)](#) Research Experience for Undergraduates Program "hosted by four CEINT partner institutions: Duke, Virginia Tech (Blacksburg, VA), and Carnegie Mellon (Pittsburgh, PA) Universities as well as the [European Center for Research and Education in Geosciences and the Environment \(CEREGE\)](#) in **Aix-en-Provence, France**" - "open to undergraduates who are majoring in engineering, chemistry, **biology**, physics, **ecotoxicology**"
- [Duke University, Organization for Tropical Studies](#), Durham, NC - [co-op, application \(2019\)](#) LSAMP REU (Research Experience for Undergraduates) for U.S. Underrepresented Minority Students Summer Program in **Costa Rica**
- [Ecole Polytechnique Fédérale de Lausanne, School of Life Sciences, Lausanne, Switzerland](#) - [co-op, application \(2019\)](#) Summer Research Program for Undergraduate Life Science Students - "The working language is English" - "The majority of travel expenses are covered by program sponsors and the School of Life Sciences. Students are asked to make their own travel arrangements and the SRP coordinator will reimburse the amount once the program starts. Housing is provided in the Lausanne/Geneva area for the duration of the program." - "After your housing as been paid for, the remaining money of your stipend will be paid in one lump sum. Housing uses about half of the stipend leaving approximately 1,100 CHF to live on. Students have been able to manage on this amount by being careful. It is advised to bring extra money for weekend travel."
- [Hampton University](#), Hampton, VA - [co-op \(2018\)](#) Minority Health International Research Training (MHIRT) program at the the [University of Dar es Salaam](#) in

Tanzania, [Egerton University](#) in Njoro, Kenya, and [University of Benin](#) in Benin City, Nigeria

- [Harvard School of Public Health](#), Boston, MA - [co-op, application \(2019\)](#) Multidisciplinary International Research Training Program (MIRT) "Research opportunities are designed collaboratively with [faculty](#) in the **US, Ethiopia, Thailand, Malaysia, Peru, Chile, India, and New Zealand** - financial support includes: round-trip airfare to foreign institution; monthly stipend; foreign living expenses; health insurance
- [Mount Sinai School of Medicine](#), New York, NY - [co-op, application \(2019\)](#) **International Exchange Program for Minority Students** in one of six countries in **Latin America, Europe and Africa** (*scroll down* to and select Mentors under Student Information)
- [Northern Illinois University, Institute for the Study of Environment, Sustainability, and Energy](#), DeKalb, IL - [co-op \(2019\)](#) Water Quality in the **Yucatan Peninsula**, in and around **Cancun, Mexico** (*requires passport or US green card*)
- [Organization for Tropical Studies](#) (consortium of 63 universities and research stations) - [co-op \(2019\)](#) NSF LSAMP REU (Research Experience for Undergraduates) for U.S. Underrepresented Minority Students Summer Program in **Costa Rica**
- [Point Blue Conservation Science](#), several locations in California and [one opportunity in Antarctica](#) - [co-op \(2019\)](#) *scroll down* to Internship Opportunities - some are six months in length - some are **not paid**
- [Rhodes College](#), Memphis, TN - [co-op, application \(2019\)](#) Minority Health and Health Disparities International Research Training (MHIRT) program - "...research sites in **Brazil, Nicaragua, and Uganda**"
- [San Diego State University, College of Sciences](#), San Diego, CA - [co-op \(2019\)](#) Minority Health and Health Disparities International Research Training (MHIRT) program at **Taiwan, Ghana, and Uganda** - *scroll down* on opening page and at each link at top for all the information you will need
- [Smithsonian Tropical Research Institute, Panama, Republic of Panama](#) - [co-op \(2019\)](#) *scroll down* to STRI Internships - "...include a monthly stipend of \$1,000 US to cover room and board. This internship does **not** include any travel or research allowances."

[Smithsonian Tropical Research Institute, Panama, Republic of Panama](#) - [co-op \(2019\)](#) will need to **open** Gamboa.docx (and might need to enable editing to see enlarged version) - **2019** Field Positions - Field assistants will be paid in addition to all travel and living expenses being covered

- [Spanish National Cancer Centre, Madrid, Spain](#) - [co-op, more details application \(2019\)](#) Laboratory Training Programme: Undergraduate Summer Session - "open to undergraduate students of any nationality who have passed at least 2/3 of the total credit points (courses or exams) required for a Life Sciences or Biomedicine-related undergraduate degree (e.g. Biology, Biomedicine, Biochemistry,

Pharmacology, Bioinformatics)" - "Travel expenses and meals at the CNIO cafeteria will be covered for summer training programme students during their stay at the centre. In addition, students without public health assistance benefits in Spain will be covered with a private health insurance provided by the CNIO for the same period of time (8 weeks)" - "Fellowships will be awarded on a competitive basis taking into consideration the student's academic record and letter of motivation"- **English** is the working language

- [Texas A&M University](#), College Station, TX - [co-op \(2019\)](#) Ecohydrology of a Tropical Montane Cloud Forest at the newly constructed [Texas A&M Soltis Center for Research and Education](#) near San Isidro in central **Costa Rica**
- [The John Innes Centre](#), (and [The Sainsbury Laboratory](#) and [The Earlham Institute](#)), **United Kingdom** - [co-op \(2019\)](#) The International Undergraduate Summer School - provides UK and **non-UK** students the unique opportunity to spend the summer on research in microbiology, cell biology, developmental biology, biochemistry, chemistry, genetics, molecular biology and computational and mathematical biology
- [Tulane University](#), [School of Public Health and Tropical Medicine](#), New Orleans, LA - [co-op, application \(2018\)](#) Tulane-Xavier Minority Health International Research Training at [four international sites](#)
- [University of Alabama at Birmingham](#), [School of Public Health](#), Birmingham, AL - [co-op \(2019\)](#) Minority Health International Research Training Program - Research projects in **Guatemala, Jamaica, Peru or Swaziland**
- [University of California, Irvine](#), Irvine, CA - [co-op \(2019\)](#) Minority Health and Health Disparities International Research Training at prestigious international research institutions in **Spain, United Kingdom and Mexico**
- [University of Central Florida](#), Orlando, FL - [co-op, application \(2019\)](#) Research Experiences for Undergraduates: Preparing the Next Generation of Scholars through Community GIS and Citizen Science in Orlando, FL and **Belize**
- [University of Central Oklahoma](#), [College of Mathematics and Science](#), Edmund, OK - [co-op \(2019\)](#) An eight-week program - includes up to seven weeks on the island of **Lesvos (Greece)**
- [University of Florida](#), [Department of Chemistry](#), Gainesville, FL - [co-op \(2019\)](#) International Research Experience for Undergraduates in **France** - "Stipend consists of \$6000 for travel, food and miscellaneous + free housing (provided by hosting site)"
- [University of Iowa](#), [College of Public Health](#), Iowa City, IA - [co-op, application \(2019\)](#) Minority Health Disparities International Research Training (MHIRT) - "...working alongside public health and health science professionals from **Romania, Armenia, or The Gambia**"
- [University of Lausanne](#), [School of Life Sciences](#), Lausanne, **Switzerland** - [co-op, application \(2019\)](#) Summer Research Program for Undergraduate Life Science Students - "The working language is **English**" - "The majority of travel expenses are covered by program sponsors and the School of Life Sciences. Students are asked

to make their own travel arrangements and the SRP coordinator will reimburse the amount once the program starts. In general, up to 1,000 CHF for overseas travel and up to 500 CHF for European travel is covered. Housing is provided in the Lausanne/Geneva area for the duration of the program." - "After your housing has been paid for, the remaining money of your stipend will be paid in one lump sum. Housing uses about half of the stipend leaving approximately 1,100 CHF to live on. Students have been able to manage on this amount by being careful. It is advised to bring extra money for weekend travel."

- [University of Maine, Forest Bioproducts Research Institute](#), Orono, ME - [co-op \(2019\)](#) Summer Undergraduate Research Fellowship at The University of Maine and [University of Concepción, Chile](#)
- [University of Missouri - Kansas City](#), Kansas City, MO - [co-op, application \(2019\)](#) Baja Basins Research - Field and Applied Research on the Gulf of California Rift Margin Basins, Baja California Sur - 7-week program divided between January (field work in Mexico - funded travel to **Baja México** including room and board at the [Minera Boleo Mine](#)) and July (lab work at UMKC)
- [University of Southern California](#), Los Angeles, CA - [co-op, application \(2019\)](#) Latino Mental Health Research Training Program - "..comprised of an intensive one-week training seminar at USC, and a 10-week training program at [Instituto Nacional de Psiquiteria Ramon de la Fuente Muniz](#) in **Mexico City, Mexico**" - *may require some Spanish language oral and written skills*
- [University of Virginia, Center for Global Health](#), Charlottesville, VA - [co-op \(2019\)](#) MHIRT: Minority Health International Research Training - "Selected candidates will serve as a research assistant at one of several international partner sites including **Uganda, South Africa, and Ecuador**"
- [Weizmann Institute of Science, Rehovot, Israel](#) - [co-op \(2019\)](#) "The Weizmann Institute of Science's annual Kupcinet-Getz International Science School will accept a select number of outstanding undergraduate students to participate in research projects in mathematics, physics, chemistry and **life sciences**."
Application deadline: December 24, 2018
