

DR. JOHN BENNETT, PROFESSOR EMERITUS
MEDICINE, PATHOLOGY AND LABORATORY MEDICINE

“The University of Rochester has, for 45 years, provided me with protected time to conduct and participate in clinical research, focusing on hematologic neoplasms. Moreover, our family has thrived in this wonderful community environment. **It is time to ‘give back’** to what has enriched our lives.”

FACULTY & STAFF CAMPAIGN

Dr. John Bennett
Professor Emeritus,
Medicine, Pathology and Laboratory Medicine
