

UNIVERSITY of ROCHESTER

## RUTH AND BILL CAHN

What a joy and sense of accomplishment it is to have had a 45 year association, first as students, and later as faculty members, with the **Eastman School of Music** and the **Eastman Community Music School**. We see the daily impact on the Rochester community, and are honored to be a part of the powerful global professional music network of the Eastman School of Music. It's important for us to help **drum up support** for **OneRochester** and our extended Eastman family."
