Questions you should consider asking:

- Why did you decide to study abroad?
- Why did you choose your particular location/program?
- What do you wish you had known before studying abroad?
- How hard is it to be a XXXXX major and study abroad?
- What are some courses to take to prepare me for studying abroad?
- How can your study abroad program meet my academic needs?
- Can I study abroad as part of the Take Five Scholars Program?
- What are the advantages of doing an internship while abroad?
- How will studying abroad affect my résumé, job or graduate school applications?
