

This is a flowchart for International students returning to the College from leave.

Step 1—To resume study eligibility at the College:

- Are you returning from separation or withdrawal? If so, submit the readmission application to CCAS by email to [asechangeofstatus@ur.rochester.edu](mailto:asechangeofstatus@ur.rochester.edu).
- Are you returning from a medical or non-medical leave of absence? If so, email [asechangeofstatus@ur.rochester.edu](mailto:asechangeofstatus@ur.rochester.edu) to notify CCAS of your return.
- For medical leave of absence contact UHS/UCC to receive medical clearance.

Once submitted, CCAS will review your request. You will receive readmission decision or reactivation confirmation from CCAS. CCAS will notify ISO of the readmission/reactivation approval.

Step 2—To resume study eligibility under F-1 status:

- If you are authorized for reduced courseload, no ISO action is needed. Your current I20 remains valid.
- If you are not authorized for reduced courseload, and your leave is under five months, you will need to submit a leave of absence form to CCAS. CCAS will notify ISO of the readmission/reactivation approval and you will receive confirmation from ISO.
- If you are not authorized for reduced courseload, and your leave is more than five months, you will need to complete a [New Student Intake Form](#) (for a new I20). CCAS will notify ISO of the readmission/reactivation approval and you will receive a new I20 from ISO
