

Study Abroad Transfer Credit

updated: 10/2/13

Business majors and minors are encouraged to study abroad.

Here is a sample of courses for which UR students have earned major or minor credit on study abroad programs. Please note that although these courses have been previously transferred, you will need to see Dean Hansen via Hillary Brower (hillary.brower@rochester.edu) before they can be applied to your major or minor. This is not a comprehensive list! Many other options are available.
