Move-In Date and Time Notification

Sent on Tuesday, July 21, 2020

Dear [First Name],

We apologize for the delay in getting the move-in information to you. Here is your residence hall move-in day and time:

[HALL] [ROOM NUMBER]
[Move-In Date]
[Move-In Time, Testing Time]

As you can see, it also includes your testing time – plan to arrive at the testing site in Goergen Athletic Center one (1) hour prior to your assigned move-in time. Please be sure you are wearing a mask.

One Helper Move-In Policy Update: We have some updates on the one helper at move-in policy. In order to limit the numbers of individuals in residence halls during move in for public health reasons, only one helper *at a time* may enter a residence hall to assist new and returning students with move in. The helpers may be rotated, and additional helpers must remain in the move-in staging area. New and returning students will only be allowed one vehicle in the move-in staging area. Access to other parts of campus will not be allowed. All students and helpers must be masked at all times when in the residence halls and when in the presence of others. When parents/helpers enter the Intercampus Lot to wait for their student, each person in the car will be given a COVID-19 symptom questionnaire to fill out. These must be turned in at the move-in site. Anyone with symptoms should not participate in the move-in process.

Please note: There is further guidance for students who are coming from one of the 31 states requiring 14 days quarantines. Please review the options on the [Rochester Restart page](#). On Wednesday, Residential Life will be posting a sign-up for quarantine on the [Residential Life website](#).

As we get closer to move-in, we will send out further updates. Please stay well.

Best,
Laurel Contomanolis
