

Poll Everywhere

Eric Fredericksen, EdD

Associate Vice President for Online Learning
Professor in Educational Leadership

Lisa Brown, EdD

Assistant Director

University IT & URMCI Institute for Innovative Education

Learning Objectives

Participants will be able to...

- Describe how and when to use Poll Everywhere
- Create a University of Rochester Poll Everywhere Account
- Describe the Different Activity Types
- Create an Activity
- Present from the Web
- Add Poll Everywhere to Other Applications

Before We Get Started

Download the app or go to the web site

HOW AND WHEN TO USE POLLING

Benefits to Poll Everywhere

- Engage students in your class
- Students can participate from any web browser or a mobile app
- University license
 - Unlimited participants
- Integrated with University authentication
- No cost to student

Polling can be used...

- In-person classroom
- Synchronous Zoom session
- Asynchronously

- At any event (does not have to be a class)!

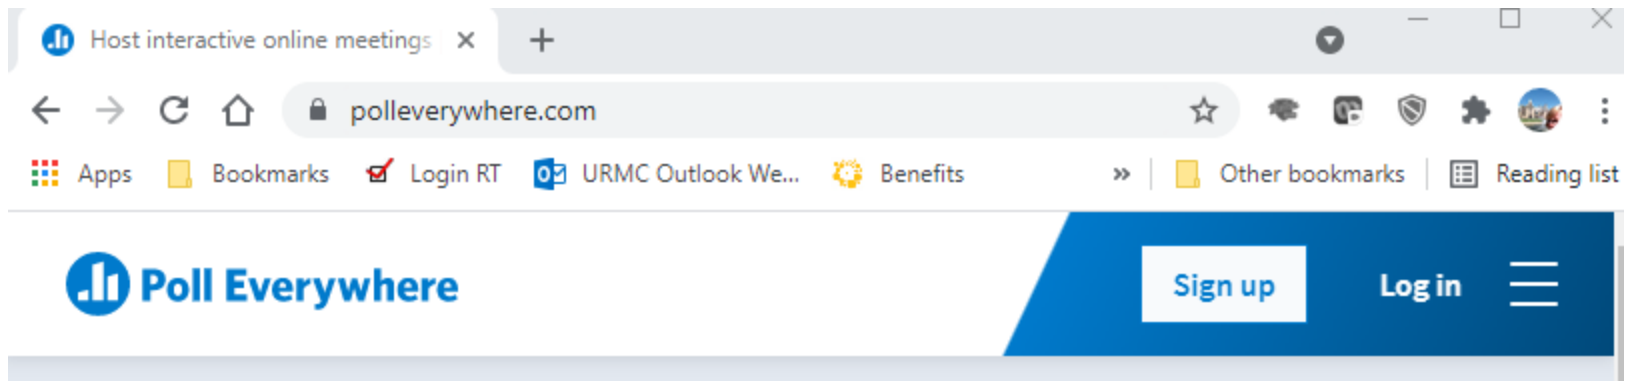

**CREATE POLL EVERYWHERE

Account will be created

- Accounts as Presenters will be created for University Faculty and Staff
- Allows for Unlimited Responses to Activities
- Allows for Pinned Q&A questions
- Future Blackboard (LMS) Integration

THE POLL EVERYWHERE WEB SITE

Home Screen

The screenshot shows the Poll Everywhere home screen. On the left is a dark sidebar menu with the following items: 'Activities' (with a bar chart icon and a back arrow), 'My activities' (with a bar chart icon, highlighted by a red box), 'Shared with me' (with a group of people icon), 'Account activities' (with a clipboard icon), and 'Trash' (with a trash can icon). Below these are several small circular icons. The main content area is titled 'My activities' and includes the text 'Manage activities currently on pollev.com/universityofrochester129'. There are two status boxes: 'No activated activity' with a 'Learn more' link, and 'No pinned Q&A' with 'Settings' and 'Learn more' links. Below these are buttons for '+ Activity', 'Folder', and 'Upload'. An 'Activities' section contains a table with one row: 'Sample question' (ID 1), last modified '11:47 AM on 08/24/21', and '0 responses'. The footer features the 'Poll Everywhere' logo and links for 'Desktop apps' (PowerPoint), 'Mobile apps' (iOS), and 'Support' (Support center).

UNIVERSITY of ROCHESTER

Word Cloud

The screenshot shows a user interface for creating a word cloud activity. At the top left is a close button (X). Below it is a horizontal menu of activity types: Multiple choice, Word cloud (selected), Q&A, Clickable image, Survey, Open-ended, Competition, and More. Below the menu is a text input field for the activity title, with a placeholder text: "What did you have for dinner last night? Use underscores to build phrases (ex. mac and cheese)". To the right of the title field is an image icon. Below the title field are two buttons: "Add another activity" and "Create".

Ranking

The screenshot shows a user interface for creating a 'Ranking' activity. At the top, there is a grid of activity icons including 'Multiple choice', 'Word cloud', 'Q&A', 'Clickable image', 'Survey', 'Open-ended', and 'Competition'. The 'Ranking' activity is selected. Below the icons, a grid of activity types is shown, with 'Ranking' highlighted. The activity configuration section includes a title field with the text 'Place these in order from smallest to largest'. Below the title, there are four rows of options, each with a text input field and a trash icon. The options are 'mouse', 'cat', 'tiger', and 'elephant'. At the bottom, there is a '+ Add option' button and two buttons: 'Add another activity' and 'Create'.

Convert the folder to a Survey

The screenshot displays the Poll Everywhere interface. At the top, a folder named 'CheckinExample' is selected, and a context menu is open, showing options: 'Add activity', 'Share', 'Rename', 'Duplicate', 'Delete', and 'Convert to survey'. A red arrow points from the 'CheckinExample' folder to the 'Convert to survey' option. Below the folder list, there are sections for 'Desktop apps', 'Mobile apps', and 'Support'. At the bottom, an 'Activities' table lists the folders and their modification times.

Order	Name	Last modified
	Demo purposes	about 18 hours ago
1	CheckinExample	less than a minute ago

Survey Settings

Survey settings

Show questions on single page

Survey questions show on a single page rather than individual pages.

Allow changing answers

Allow participants to undo their response and respond again.

Limit responses per person

Each activity has a limit on the number of responses it can receive. Letting people respond more than once may trigger this limit sooner.

Responses per person

Change the number of times a participant may respond to this activity.

Anonymous participation

Allow participants to respond without their identities being revealed, even if they are registered with your account. You will not be able to correlate anonymous responses from the same participant with any other responses from the same participant. Anonymous activities are also excluded from certain reports.

Once an activity is made anonymous, the change cannot be undone.

Restrict participants

Restrict this activity to only participants who are registered with you. Participants must log in or sign up for a Poll Everywhere participant account.

Share the Survey

The screenshot shows a survey control interface. At the top left, there are two buttons: 'Present' (with a play icon) and 'Activate' (with a pin icon). To the right is a 'Share' dropdown menu with two options: 'Copy response link' (with a link icon) and 'Copy embed script' (with a code icon). Below these buttons, the survey title 'CheckinExample' is displayed in a large, bold font. Underneath the title, a smaller line of text reads 'When survey is active, respond at PollEv.com/lisabrown528'.

- No need to activate
- Lock the survey when you want to stop collecting responses

4 questions

1. I am happy with the class (amount of information, progress, dynamics)

You can respond once

agree

neutral

disagree

2. You are always encouraged to talk to your group mates, advisors, or class instructors about any issue that come up in class or your research group. Is there any issue within your group or the class that should be addressed but you're not sure how to go

You can respond once

yes
