

COMMUNITY LEADERSHIP Finger Lakes Forward!

UNITED FOR SUCCESS: Led by President and CEO Joel Seligman and Board of Trustees Chair-elect and Wegmans CEO Danny Wegman, a multicounty group representing the Finger Lakes region succeeded in winning a five-year, \$500 million award as part of Governor Andrew Cuomo's statewide effort to boost economic development in New York. Before making a joint presentation in Albany last fall, members of the multicounty group showed their spirit at the Rochester Convention Center. PHOTOGRAPH BY ADAM FENSTER
