\*Computer Science is now under Hajim School of Engineering and Applied Sciences

Notes:

Official majors have been declared by the student and approved by the school. Students with double majors and/or double degrees are counted in each major and/or degree.

Figures include full, part and X-time students. X-time indicates students are not registered for course work in the semester. These students are normally enrolled in a 'place-holder' course, which makes them eligible to register for courses at Rochester in a subsequent semester.
