Rochester, NY 14627

Dear President Seligman:

This letter is in response to Ralph Kuncel's and Kathy Rideout's communications requesting discontinuance of a dual-degree program titled Nursing/Gerontological Nurse Practitioner and registration of a dual-degree program titled Nursing/Adult Nurse Practitioner/Geriatric Nurse Practitioner leading to the Bachelor of Science and Master of Science degrees at the University of Rochester. This program will be offered in an accelerated format at the baccalaureate level and lead to eligibility for the registered nurse licensure examination. The master's degree component of the program will lead to eligibility for certification as an Adult Nurse Practitioner and a Geriatric Nurse Practitioner.

I am pleased to inform you that on the basis of our review the program discontinuance has been approved as detailed on the enclosed listing from the Inventory of Registered Programs. Additionally, the program titled Nursing/Adult Nurse Practitioner/Geriatric Nurse Practitioner leading to the Bachelor of Science and Master of Science degrees is registered for professional purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York) until September 1, 2011. After that date, registration will be extended annually until the Department's next review is conducted.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, prior to initiating a significant change in this program, please contact the Professional Education Program Review office at (518) 474- 3817, extension 360, or at OPPROGS@mail.nysed.gov.

Sincerely,

Leonard Lapinski

President
University of Rochester
601 Elmwood Avenue
Rochester, NY 14627

Dear President Seligman:

This letter is in response to Ralph Kuncl's correspondence dated October 27, 2008 requesting registration of proposed combined Adult Nurse Practitioner/Geriatric Nurse Practitioner programs leading to the Bachelor of Science/ Master of Science and Master of Science degrees to be offered by the University of Rochester and discontinuance of the currently registered Geriatric Nurse Practitioner program leading to the Bachelor of Science/Master of Science and Master of Science degrees.

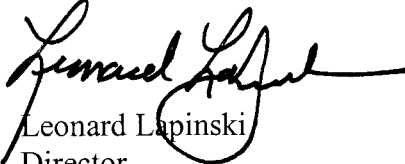

I am pleased to inform you that on the basis of our review the programs detailed on the enclosed listing from the Inventory of Registered Programs are registered for professional purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York) until September 1, 2009. After that date, registration will be extended annually until the Department's next review is conducted.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore prior to initiating a significant change in the programs, we ask that you contact the Professional Education Program Review office at (518) 474-3817, extension 360, or at OPPROGS@mail.nysed.gov.

Additionally, the Geriatric Nurse Practitioner programs (20270 and 20272) leading to the Bachelor of Science/Master of Science and Master of Science degrees will be deleted effective September 1, 2009. In the event that any students do not complete studies in these curricula by the termination date, it is the responsibility of the institution to request an extension of the registration period for the program or to make other arrangements for those students to complete their studies.

We wish you and your colleagues success with the programs.

Sincerely,

Leonard Lapinski

Dear President Seligman:

This concerns Ralph Kuncel's and Kathy Rideout's communications requesting registration of a program titled Care of Children & Families - Pediatric Nurse Practitioner with Pediatric Behavioral Health leading to the Master of Science degree, registration of dual-degree programs titled Nursing/Child & Adolescent Psychiatric Mental Health Nurse Practitioner and Nursing/Care of Children & Families - Pediatric Nurse Practitioner with Pediatric Behavioral Health leading to the Bachelor of Science and Master of Science degrees and a title change for the Nursing and Behavioral Mental Health Advanced Certificate program at the University of Rochester.

I am pleased to inform you that on the basis of our review the programs detailed on the enclosed listing from the Inventory of Registered Programs are registered under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York) until September 1, 2008. After that date, registration will be extended annually until the Department's next review is conducted. Additionally, the title for the Nursing and Behavioral Mental Health Advanced Certificate program has been changed to Pediatric Behavioral Health. Please note that the enclosed Inventory listing identifies the master's degree programs as ineligible for the Tuition Assistance Program (TAP) award. Only programs offered on a full-time basis are eligible for TAP awards.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, prior to initiating a significant change in these programs, we ask that you contact the Professional Education Program Review office at either (518) 474-3817, extension 360, or at OPPROGS@mail.nysed.gov.

I wish you and your colleagues success with these programs.

Dear President Seligman:

This letter is in response to Charles Phelps' communication requesting registration of proposed programs leading to the Doctor of Nursing Practice degree in the specialty areas of acute care, adult health, clinical nurse leader, family, gerontology, pediatrics, and psychiatric mental health to be offered by the University of Rochester. All except the clinical nurse leader program will lead to eligibility for nurse practitioner certification.

I am pleased to inform you that on the basis of our review the programs detailed on the enclosed listing from the Inventory of Registered Programs are registered under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York) until September 1, 2008. After that date, registration will be extended annually until the Department's next review is conducted. Please note that the programs listed on the enclosed Inventory listing are not eligible for Tuition Assistance Program (TAP) awards. Only programs offered on a full-time basis are eligible for TAP awards.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Dear President Seligman:

This concerns Charles Phelps' recent communication requesting registration of proposed programs titled Child and Adolescent Psychiatric Mental Health Nurse Practitioner leading to the Master of Science degree and post-master's Advanced Certificate, respectively at the University of Rochester, as well as termination of the dual specialty program titled Pediatric Nurse Practitioner/Psychiatric Mental Health Nurse Practitioner and the dual degree program titled Nursing/Pediatric Nurse Practitioner/Psychiatric Mental Health Nurse Practitioner. Additionally, discussion with Dr. Rideout, Associate Dean for Academic Affairs in the School of Nursing, resulted in the decision to separately register a post-master's Advanced Certificate program that is titled Nursing and Behavioral Mental Health.

I am pleased to inform you that on the basis of our review the programs detailed on the enclosed listing from the Inventory of Registered Programs are registered under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York) until September 1, 2007. After that date, registration will be extended annually until the Department's next review is conducted. Please note that the enclosed Inventory listing identifies the master's degree program as ineligible for the Tuition Assistance Program (TAP) award. Only programs offered on a full-time basis are eligible for TAP awards. Likewise, both Advanced Certificate programs are ineligible for TAP awards because they are not offered in a full-time format.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, prior to initiating any major change in these programs we ask that you contact the Professional Education Program Review Office at (518) 474-3817, extension 360, or at OPPROGS@mail.nysed.gov.

I wish you and your colleagues success with these programs.

Dear President Seligman:

This concerns Charles Phelps's recent communication requesting registration of a proposed program titled Clinical Nurse Leader leading to the Master of Science degree at the University of Rochester.

I am pleased to inform you that on the basis of our review the program detailed on the attached listing from the Inventory of Registered Programs is registered for general purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York) until September 1, 2006. After that date, registration will be extended annually until the Department's next review is conducted. Please note that the attached Inventory listing identifies the program as ineligible for the Tuition Assistance Program (TAP) award. Only programs offered on a full-time basis are eligible for TAP awards.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, prior to initiating any major change in this program we ask that you contact the Professional Education Program Review office at (518) 474-3817, extension 360, or at OPPROGS@mail.nysed.gov.

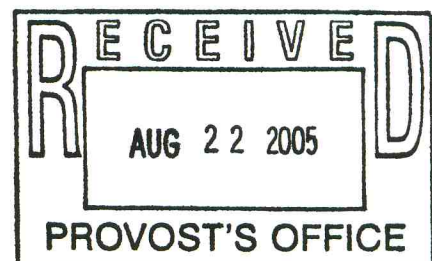

I wish you and your colleagues success with this program.

Sincerely,

Johanna Duncan-Poitier

Dear President Jackson:

This letter is in response to Judith Baggs' communication of February 25, 2005 notifying the Department of the discontinuance of the currently registered dual-degree program titled Nursing/Care of Children and Families - Pediatric Nurse Practitioner/Neonatal Nurse Practitioner offered by the University of Rochester as licensure-qualifying programs leading to the Bachelor of Science and Master of Science degrees respectively.

The program detailed on the attached listing from the Inventory of Registered Programs will be deleted effective immediately. I understand that there are no students remaining in this program.

Sincerely,

Johanna Duncan-Poitier

Proposal 2004-1214

Dear President Jackson:

This letter is in response to Provost Phelps' communication dated August 5, 2004, and received August 16, 2004, requesting registration of a proposed Master of Science (M.S.) and Doctor of Philosophy (Ph.D.) joint program in Gerontological Nurse Practitioner and Nursing to be offered by the University of Rochester.

I am pleased to inform you that on the basis of our review the program detailed on the attached listing from the Inventory of Registered Programs is registered for general purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations for the State of New York) until September 1, 2005. After that date, registration will be extended annually until the Department's next review is conducted.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, I ask that you contact this office prior to initiating a significant change in this program.

We wish you and your colleagues success with the program.

Sincerely,

Barbara D. Meinert
