Proposals 2013-1073 through 1079

Dear President Seligman:

I write in response to Provost Lennie's correspondence of August 20, 2013, requesting registration of six new Master of Science (M.S.) programs designed for international and State/United States applicants pursuing professional education studies but not New York State teacher certification, to be offered by the University of Rochester. The programs are listed below:

- Early Childhood (Non Teacher Certification)
- Elementary Education (Non Teacher Certification)
- Inclusion and Special Education (Non Teacher Certification)
- Literacy Education (Non Teacher Certification)
- Mathematics Education (Non Teacher Certification)
- Science Education (Non Teacher Certification)
- Social Studies Education (Non Teacher Certification)

I am pleased to inform you that on the basis of our review, the registration of the programs detailed on the attached listing from the Inventory of Registered programs are registered for general education purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York) until September 1, 2014. After that date, registration will be extended annually until the Department's next review is conducted.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, I ask that you contact this office prior to initiating a significant change in these programs.

We wish you and your colleagues success with these programs.

Sincerely,

Barbara D. Meinert

Proposal 2011-0486 - 2011-0497

Dear President Seligman:

I write in response to Provost Kunci's correspondence of February 23, 2011, requesting curricular changes and the addition of Students with Disabilities Generalist 7-12 and Students with Disabilities Content Specific 7-12 Extension to 12 currently registered programs offered by the University of Rochester.

I am pleased to inform you that on the basis of our review the requested changes and the addition of the new Students with Disabilities certifications have been approved as detailed on the attached listing from the Inventory of Registered Programs.

Any certificate titles being replaced by notice of this letter will be removed from the inventory of Registered Programs effective February 2, 2016. All students enrolled in certificate titles that will be discontinued will need to have completed their studies in their certificate area or will need to have transferred to registered programs leading to the new certificate areas on or before the date of discontinuance.

We wish you and your colleagues success with the programs.

Sincerely,

Barbara D. Meinert

Thomas H. Jackson  
President  
University of Rochester  
240 Wallis Hall  
Rochester, NY 14627-0011

Dear President Jackson:

This letter is in response to Provost Charles Phelps' request for registration of proposed *Community Mental Health Counseling* and *Gerontological Mental Health Counseling* programs leading to the Master of Science degree to be offered at University of Rochester.

Based on our review the programs detailed on the enclosed listing from the Inventory of Registered Programs are registered for professional purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York) until September 1, 2006. After that date, registration will be extended annually until the Department's next review is conducted.

Please note that Section 6507 of the Education Law was amended to require that professionals seeking licensure as a Mental Health Counselor, Marriage and Family Therapist, Creative Arts Therapist, or Psychoanalyst must complete, as a condition of licensure, at least two clock hours of training in the identification and reporting of child abuse and maltreatment as a condition of licensure. Therefore, programs designated as licensure qualifying in these professions must use the enclosed materials to provide this required content to students in these programs.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, prior to initiating a significant change in these programs, please contact the Professional Education Program Review office at (518) 474-3817, extension 360, or at [OPPROGS@mail.nysed.gov](mailto:OPPROGS@mail.nysed.gov).

We wish you and your colleagues success with these programs.

Sincerely,
