

Contact Information for Separated or Divorced Parents

From time to time, the university sends information mailings to the parents or guardians of registered students. These may be announcements, invitations, or publications. All mailings will be addressed to the parent or guardian with whom the student makes his or her home.

If both parents desire to receive mailings from the university, we will be happy to send them, with the exception of TERM BILLS. Term bills are sent only to the address the student specifies. *Only one address may be designated as the billing address.* See payment plan form in the Enrolling Student Packet.

Please complete the form below and fax or mail it to the following address if both parents are to receive mailings from the University.
