Late arrival to campus

If you arrive after 5 p.m., you will still be able to get into your room. We will be staffing the First-Year Hill (Susan B. Anthony/Genesee) and the First-Year Quad (Gilbert, Hoeing, Tiernan) area offices until 12 midnight to accommodate late arrivals. If you are living in Lovejoy Hall or are a transfer students, you should go to the First-Year Quad area office to check in after hours. If you arrive after 5 p.m., you will need to visit the University Health Service building the next morning for your vaccination compliance check, rapid COVID-19 rapid test and vaccination (if needed.) You will then need to complete Welcome Week Check-in in Hirst Lounge, Wilson Commons. If you are arriving after 12 midnight, you will need to call the Department of Public Safety at 585-275-333 to get access to your room for the night.

If your Area Office is in a different building from your residence hall, you may want to ask your taxi to wait while you pick up your key and then have them take you directly to your residence hall.
