

Housing Rates 2023 – Summer Housing

Susan B. Anthony, Genesee, Brooks Crossing

Summer housing rates are discounted for the summer to encourage UR undergraduate students to stay on campus to take courses or to work on-campus, at a hospital, or elsewhere in the Rochester community. Rates are offered in two categories: by the summer session (connected to taking summer session classes) and short-term stay by the week; one week minimum.

We do not offer a per night rate.

Summer housing applications will be accepted from **April 3 until July 1, 2023**.
 Email your application to summerhousing@reslife.rochester.edu
 OR bring it to the Residential Life Office located in 020 Gates, Susan B. Anthony

Short-Term Stays

There is a one week minimum for staying on campus during the summer. Indicate the dates for which you would like summer housing on the summer housing application. Summer housing staff will calculate the rate based on the number of weeks housing is needed to the closest full week. Important notes:

First Week rate: (one week stay only)

\$185 (Monday – Saturday) double occupancy, only

Second Week and beyond weekly rate: (multiple weeks)
\$173 (Sunday – Saturday) **double** occupancy/Non-AC/week
\$216 (Sunday – Saturday) **double** occupancy/AC/week

Second Week and beyond weekly rate: (multiple weeks)
\$202 (Sunday – Saturday) **single** occupancy/Non-AC/week
\$252 (Sunday – Saturday) **single** occupancy/AC/week

1. A week is Sunday – Saturday. We do not offer a per night rate.

Example: If you come on Monday and leave Saturday, that’s a week. If you come on Sunday and leave Friday, that’s a week. If you come Sunday and leave the following Wednesday (10 days later), that is two weeks.

2. If you are not planning to take summer courses but want to live on campus, indicate the dates (checking in/checking out) and the number of weeks on the application. Summer staff will calculate the rate based on this information.

Example: You plan on being on campus from May 22 until July 9 and then move into an off-campus housing – indicate that you need 7 weeks of summer housing.

Please note: Housing assignment – priority for single rooms goes to students staying on campus for all or most of the summer. Students seeking short term housing should anticipate being assigned to a double room.

Bridge Contract **

Bridge contracts cover the period from the end of your Summer Housing Contract, to the start of your 2023-2024 housing contract. Students must be registered in B2 session classes or be a full session summer student to be eligible for a bridge contract. Bridge contracts are only available to UR Students with valid 2023-2024 housing contracts. All other summer residents must leave campus housing by Saturday, 8/5/2023.

Housing Dates	Total
