PARKING

CAMPUS TUNNELS

A note about parking:

- Parking is a perennial problem...there's too little of it!
- Some guidelines:
1. Park in one of the lots indicated in blue on this map.
 2. You may park in *any* reserved space after 7pm on weeknights (EXCEPT those marked "Reserved at All Times" and spots reserved for the handicapped.
 3. Don't block a fire lane.
 4. Try park legally or you almost certainly will be ticketed.
 7. Arrive early and take into account the walking time from lot to theatre.
