STRONG EAP
At times, personal and work-related issues may be difficult to handle. Small problems grow into large ones and it may be unclear what to do. Guidance from a trained professional can make all the difference.

STRONG EMPLOYEE ASSISTANCE PROGRAM
Strong EAP is one of Rochester’s leaders in the provision of employee assistance program services. Strong EAP offers professional guidance to you and your family members when personal or work-related problems become difficult to manage alone. With its range of available services, depth of resources, and timely response, Strong EAP is unmatched to its local competitors.

CONFIDENTIALITY
Written records of all Strong EAP services are kept private and are unavailable to employers or others without the written consent of the identified client (or legal guardian). Strong EAP guarantees strict standards of privacy and confidentiality according to State and Federal guidelines unless disclosure of information is required by law or court order.

OUR SERVICES
Strong EAP contracts with your employer to provide short-term interventions to resolve work-related or personal problems. During an initial visit or two, a Strong EAP professional will evaluate you or your family member’s reason for coming to our program and recommend the appropriate form of intervention or treatment. If you or your family member requires more than the number of visits contracted by your employer or more urgent care is required in addition to Strong EAP services, you will be referred to the most appropriate resource to meet those needs.

Our professionals will provide information and an explanation of whether these external services will be covered through your health insurance. In cases where such coverage is not available or does not apply, every attempt will be made to identify and recommend affordable resources. Any fees associated with receiving services outside of Strong EAP will be the responsibility of the identified client.
