### CCC Monthly Tip

**Better Communication For Your Organization:** Create a mailing list with similar functionality to the old CCC, the first step is to go to *Roster* and *Manage Positions* to create a position called "Mailing List #1" or a more specific position title like "Publicity Group". Then you can assign any member to this position, along with their default position. Now you can go to *Roster* and *Messaging* to choose this special position 'group' and email your members the way you wish.

You can also communicate to your members by creating a newsletter as you did before, creating a News Article from the News tab for your organization. Create a new News Article and post the link to the News Post for only members to view. Any questions email [colin.knapp@rochester.edu](mailto:colin.knapp@rochester.edu).

## This publication is brought to you by Wilson Commons Student Activities

The Student Organization Insider is WCSA's monthly e-newsletter for student organization executive boards and advisors. The Student Organization Insider (SOI) is intended to keep student leaders informed on opportunities and updates from their areas of advisement: Students' Association, Athletics, the Interfaith Chapel, Fraternity and Sorority Affairs, Residential Life, Rochester Center for Community Leadership, the Hajim School, and Wilson Commons Student Activities. The SOI will not focus on information available to students through the Weekly Buzz or Weekend Highlights, and it will not be used to advertise student organization events. Instead, *this newsletter is a unique and specialized publication with information and opportunities that are relevant to you as student leaders!*
