This class is specifically designed for:

- **Varsity Sports-** For students who participate on varsity athletic teams
- **Fraternity and Sorority-** For students who hold an officer position in a recognized Fraternity or Sorority on campus
- **Cross Cultural -** For student leaders in a recognized student organization who want to take a strategic approach to leadership development by exploring the critical components of cross cultural leadership.

This class examines leadership theories (both historical and contemporary) in a dynamic classroom/lab setting. Utilizing readings, lectures, and multimedia, this course will build a strong foundation for practicing a constant pursuit of leadership education and development. You will leave this class with a deep understanding leadership theory, as well as how to apply these theories--combined with experience--in future leadership roles.

Officer Transition

Remember a succesful exective board is not only the glue that holds your organization together

but also the fuel that propels it in a forward direction. A successful officer transition is neither difficult nor very time-consuming, however if you don't do it or do it wrong your organization will struggle next semester.

[Here](#) is a check list you can use as an out going or an in-coming officer. Coming out mid month is an online leadership transition workshop with resources. Log in to Blackboard and then click [here](#) to enroll.

Elections & Event Registration

This is a reminder from the March Insider COVID-19 edition that the Event Registration is active. Student organizations hosting general interest meetings, events, activities, or program should complete an event registration.

For Elections follow the step by step guide on how to hold elections remotely from CCC. Learn how to host an election on CCC through this step by step guide: [electiontutorial.pdf](#), also found as "Virtual Elections Tutorial (PDF) [here](#).

This publication is brought to you by Wilson Commons Student Activities: The Student Organization Insider is WCSA's monthly e-newsletter for student organization executive boards and advisors. The Student Organization Insider (SOI) is intended to keep student leaders informed on opportunities and updates from their areas of advisement: Students' Association, Athletics, the Interfaith Chapel, Fraternity and Sorority Affairs, Residential Life, Rochester Center for Community Leadership, the Hajim School, and Wilson Commons Student Activities. The SOI will not focus on information available to students through The Report or Weekend Highlights, and it will not be used to advertise student organization events. Instead, this newsletter is a unique and specialized publication with information and opportunities that are relevant to you as student leaders.
