

Verification of Non-Filing Status 2023-2024

University of Rochester Financial Aid Office

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was selected by the Department of Education for review in a federal process called verification. In this process, the Financial Aid Office must review all relevant tax returns and income statements to ensure the FAFSA was completed correctly.

Upon completing the FAFSA, you or your parent(s) indicated that a 2021 federal tax return was not required to be filed. The Department of Education requires that you submit a Verification of Non-Filing Letter as documentation that a tax return was not filed.

If you are unable to secure this letter through the [IRS](#), this form may be submitted in its place.
