The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, **www.rochester.edu/totalrewards** or by calling **585-275-2084.** For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at **https://www.healthcare.gov/sbc-glossary/** or call **585-275-2084** to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Accountable Health Partners (AHP): Employee (EE) Only 1,500; EE Family (FAM) $3,000. In Network: EE Only $2,250; EE+ FAM $4,500. Out–of–Network (OON): EE Only $4,000; EE+ FAM $8,000.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay for covered services you use.
Are there services covered before you meet your deductible?	Yes. Preventive care is covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	*Salary<$62,100; AHP: EE Only $2,500; FAM $5,000. In Network: EE Only $4,000; FAM $8,000. OON: EE Only $6,750; FAM $13,500. Salary > $62,100; AHP: EE Only $3,000; FAM $6,000 In Network: EE Only $4,500; FAM $9,000 OON: EE Only $6,750; FAM $13,500.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. *NOTE: the <$62,100 salary band includes residents and fellows and the >$62,100 includes all part-time (PT) employees.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, health care this plan doesn't cover & penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See ahpnetwork.com (AHP), or excellusbcbs.com (Excellus) or call (585)758-7823 (AHP) or 1-800-659-2808 (Excellus) for a list of in-network providers.	If you use an in-network doctor or other health care provider, this plan will pay some or all of the costs of covered services. Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
