

Temporary Leave of Absence for F-1 & J-1 Students

Students planning to take a Leave of Absence (LOA) from their academic program will need to notify ISO in advance so that appropriate reporting can be made to SEVIS. You will not be able to remain in the U.S. under the F-1 or J-1 student visa category, once the LOA is reported as a termination for immigration purposes. Depending on the length of your leave, less or greater than 5 months, the ISO may be able to reactivate your current SEVIS record before your return. Whenever possible, please meet with an advisor in the ISO before you leave Rochester to discuss your plans.

This form has two purposes: 1) To report the effective date of a Leave of Absence to ISO for SEVIS processing, and 2) To prepare for a return to studies after an absence not exceeding 5 months. Students should prepare this form when making arrangements with the school for a temporary leave of absence, excluding [Reduced Course Load for Medical Condition](#). Additional information on this process is available on the ISO website.

Return from Leave of Absence longer than 5 months: Do NOT use this form if you will be returning to UR after a break in studies longer than 5 months. Please complete the [New Student Request for I-20/DS-2019](#) form and select the option for Return from Absence. More information can be found on the ISO website.
