Welcome to Meliora Weekend!

This weekend, you can tour the newly opened Golisano Children’s Hospital, wander the vibrant and expanding College Town district, celebrate a reunion, visit exhibitions in the Memorial Art Gallery and Rush Rhees Library, cheer on the Yellowjacket football and soccer teams, enjoy a variety of performances at Eastman’s downtown campus, and much more.

What truly sets Meliora Weekend apart is its intellectual offerings. Highlights include keynote speaker Walter Isaacson, author of the best-selling biography of Steve Jobs and more recently of *The Innovators*, a history of the digital revolution; a performance by the award-winning entertainer Kristin Chenoweth; and comedy and thoughtful conversation with Aasif Mandvi.

Our third-annual MEL Talks series features stories of how we make our community ever better; the annual Presidential Symposium will explore the Crisis in K-12 Education; and the thought-provoking Miller’s Court will examine contradictions in sports gambling.

There is something for everyone, and this convenient guide lists all of our programming.

We hope that you enjoy everything that the weekend holds.

Meliora,

Joel Seligman

President and CEO

**Name Badges**
Please be sure to wear your name badge at all times, as it is your entrance pass to all events. Some events also require tickets.

**Shuttles and Parking**
We recognize that parking on campus is challenging. River Campus parking is particularly limited on Friday; whenever possible, we encourage you to use shuttles from hotels and various University lots. If you drive to campus, parking staff and signage will direct you to open lots. Please note that due to construction throughout campus, extra time allowance for shuttles and parking is encouraged.

**Eastman School of Music**
For guests who are attending events on the Eastman campus, parking is available in the East End Garage (accessible from East Main Street, and East Avenue and Scio and Main Streets), at a number of lots, and on the street.

**Dress**
Meliora Weekend calls for business casual dress and comfortable shoes. Class dinners on Saturday evening are casual unless noted otherwise.

**Emergency/First Aid**
Pick up a Blue Light Emergency Phone or dial x13 from any other University phone. From an on-campus pay phone or your cell phone, dial (585) 275-3333.

Reseaching the Daguerreotype at the University of Rochester: Nanotechnology Meets Local History

This exhibit explores the history, process, impact, and University-related research efforts surrounding the daguerreotype, an 1839 invention that transformed the ways light is captured and people are recorded.
