Why?

Interactive video and audio transforms passive observation into active learning, where online and conventional learners can explore, analyze, and apply concepts through enriched learning content.

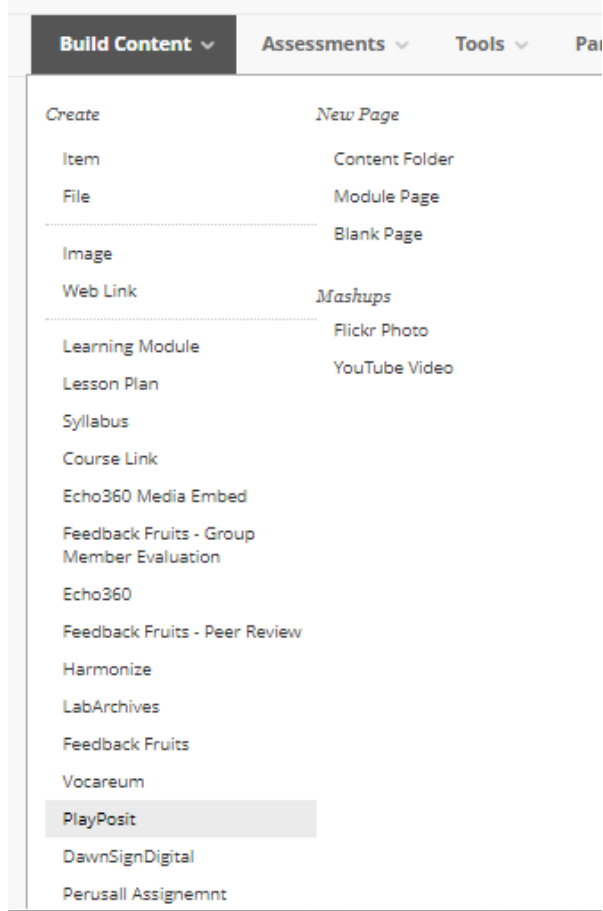

Turn on Tool

The screenshot shows a software configuration interface. On the left, a dark sidebar menu is open to the 'Customization' section, which includes options for 'Guest and Observer Access Properties', 'Quick Setup Guide', 'Teaching Style', and 'Tool Availability'. The main area displays a table of tool settings. The 'Piazza' tool is selected, indicated by a blue checkmark in the first column. Below the table, a 'Review Status' bar shows a blue checkmark in the first column. At the bottom right, there are 'Cancel' and 'Submit' buttons. A note at the bottom left reads: 'Click Submit to finish. Click Cancel to quit.'
