Dear Family

RITA GHIMIREY

One of the biggest lessons I learned during my four years was one about the unconditional love and support from my family. Baba, mummy, didi, and Geeta, thank you for always being the light at the end of the tunnel. I've stood on the shoulders of giants, I cannot thank you enough for all that you have done for me.

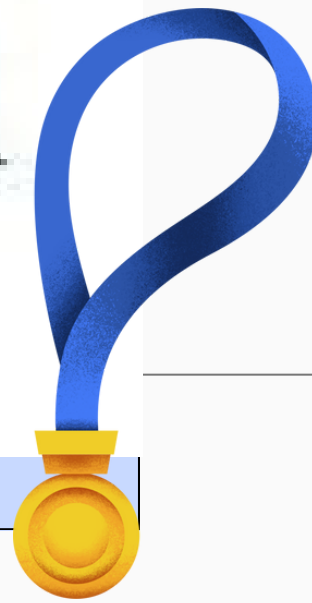

SARAH A. CHEN

You are more than just a hero to me; you're also my source of guidance and the place I call home. Our connection continues to strengthen because of the challenges we've faced and conquered together. As each year passes, my gratitude toward you deepens. Thank you for not only being there for me but also for teaching me the invaluable lesson of love, perseverance, and selflessness.
