Waitlist Housing Information

On-campus living is very popular at UR and residence hall housing is in high demand. While we will do our best to house all interested students, we cannot guarantee housing for transfer, reactivated, readmitted and students who missed the housing lottery deadline.

The residency requirement is waived for reactivated and transfer first-year and sophomores when housing space is not available.

Applications are considered based on the date received and the availability of housing. Once you accept a housing offer, you are entering into a legally binding housing contract.

Meal Plans All students (first-year through seniors) must be on a meal plan even if living off-campus or commuting from home. If a student opts to live off-campus or lack of on-campus housing availability requires a student to live-off campus, the student will be billed for the commuter dining option. Once a student accepts a housing offer, they will have 5 business days to reach out to Dining Services to change their meal plan.

For answers to any questions concerning meal plans, please email:
mealplans@services.rochester.edu.
