¹Per 100 students.

²Coercion: Incidents when someone coerced you by threatening serious non-physical harm or promising rewards. Examples include threatening to give you bad grades or cause trouble for you at work; promising good grades or a promotion at work; threatening to share damaging information about you with your family, friends, or authority figures; or threatening to post damaging information about you online.

Without voluntary agreement: Incidents that occurred without your active, ongoing voluntary agreement. Examples include someone initiating sexual activity despite your refusal; ignoring your cues to stop or slow down; went ahead without checking in or while you were still deciding; otherwise failed to obtain your consent.

³TGQN: Trans woman, trans man, nonbinary or genderqueer, questioning, not listed.

Inability to consent or stop what was happening: Incidents when you were unable to consent or stop what was happening because you were passed out, asleep, or incapacitated due to drugs or alcohol.

Coercion: Incidents when someone coerced you by threatening serious non-physical harm or promising rewards. Examples include threatening to give you bad grades or cause trouble for you at work; promising good grades or a promotion at work; threatening to share damaging information about you with your family, friends, or authority figures; or threatening to post damaging information about you online.

Without voluntary agreement: Incidents that occurred without your active, ongoing voluntary agreement. Examples include someone initiating sexual activity despite your refusal; ignoring your cues to stop or slow down; went ahead without checking in or while you were still deciding; otherwise failed to obtain your consent.

⁴ The total for women and men.

¹ Estimates are for victimizations reported since entering college.

² Per 100 students.

³ TGQN: Trans woman, trans man, nonbinary or genderqueer, questioning, not listed.

⁴ Respondents were asked, "Do you identify as a student with any of the following? Learning disability, ADHD, Autism Spectrum Disorder, mobility-related disability (e.g., spinal cord injury), sensory disability (e.g., low vision), chronic mental health condition (e.g., depression), chronic medical condition (e.g., diabetes), or other disability or chronic condition."

¹ Unless otherwise specified, estimates are for victimizations reported since entering college.

² Physical force: Incidents that involved force or threats of force against you. Force could include someone using their body weight to hold you down, pinning your arms, hitting or kicking you, or using or threatening to use a weapon against you.

Inability to consent or stop what was happening: Incidents when you were unable to consent or stop what was happening because you were passed out, asleep, or incapacitated due to drugs or alcohol.

Coercion: Incidents when someone coerced you by threatening serious non-physical harm or promising rewards. Examples include threatening to give you bad grades or cause trouble for you at work; promising good grades or a promotion at work; threatening to share damaging information about you with your family, friends, or authority figures; or threatening to post damaging information about you online.

Without voluntary agreement: Incidents that occurred without your active ongoing voluntary agreement. Examples include someone initiating sexual activity despite your refusal; ignoring your cues to stop or slow down; went ahead without checking in or while you were still deciding; otherwise failed to obtain your consent.

³ Per 100 victims.

⁴ Per 100 victims who contacted at least one program.
