**We are registering Kindergartners
for 2019 NOW!**

Do you have a child currently attending Kindergarten??

Text Julia ASAP at (585) 721-5409 with your child's first and last name, date of birth, school of attendance and address.

We will only be registering new students until *October 19th.*

Horizons at Warner had an amazing year— thanks to you!

Did you know...

#1 We had 5 presentations from animal experts who brought in 18 exotic animals!

#2 We visited over 14 educational and Amazing Animal Theme-related field trip locations!

#3 The students participated in 12 hours of Red Cross Certified Swim Lessons this summer!

#4 UR Upward Bound Program put on a field day that included over 10 outdoor activities!

#5 On Mystery Mondays, your children enjoyed 6 different surprise treats after their lunch!

#6 Over 65 guests attended the Amazing Animal Athenaeum at the end of program, allowing students to demonstrate research and creative designs involving chosen theme animals.

We had a 90% daily attendance rate and 95% return rate this year, *thanks to all of you!* We appreciate your support in this and hope you feel great knowing that this helps with funding towards creating an equally amazing Summer 2019!

Interested in LEGO League?

For an educational opportunity that grows your child's skill set and gives them a fun activity on the weekends, contact Julia ASAP at (585) 721-5409 to see about getting your *5th grade or older* child enrolled!

Look for us on Facebook!

- We will continue to post about news from the community, our favorite moments from Summer 2018, and throwbacks from previous years!
- We would **LOVE** to add your photos or ideas! Share moments of your children enjoying the school year, sports events, or an after-school program they attend with Julia at jpostler@warner.rochester.edu.
