

SUMMER 2018

Great things are ahead for our summer 2018 programming! Our theme of "Amazing Animals" will immerse our 160 K-8th grade students in reading, math and writing as they think all about animals!

Success Stories!

Our return rate for Summer 2018 is 97%!!

We are so proud that Angel learned to swim at Horizons as a 5 year student and this summer he will be working as a life guard for the city!
