

Hello from Horizons at Warner!

Please read these important summer updates...

- **Horizons Kick Off Dinner** will be Friday June 21st from 6 to 8 pm at East High School's cafeteria. Parking is off of Ohio Street, and there will be a catered dinner as well as books and T-shirts to take home. Please know that your paperwork can be turned in at this event.
- **Program dates** are Monday July 8th – Wednesday August 14th.
- **Attendance** for all 29 days of program is essential to maintaining our funding and therefore to maintaining your child's summer experiences here.
- **Please do not schedule** any vacations, doctor appointments, or other activities from 9 am to 4:30 pm during these dates.
- **Check your email** for important paperwork that must be turned in for your child to be eligible to attend program.
- **Julia will be calling** you soon to update each student's registration information.

The theme for Summer 2019 is...

Change Over Time!

3 incredible field experiences have already been scheduled:

At the **Genesee Country Village and Museum**, students will see reenactments of life in the past and take tours through the historic village to see how buildings, clothing, cooking, etc. have changed!

Students will witness the incredible progression of nature through guided hiking tours, sightseeing waterfalls and land forms at the "Grand Canyon of the East," **Letchworth state park**.

The **Rochester Museum and Science center** is overflowing with education on local history, science and technology that students will use to enhance their learning in self-directed theme groups.

There will also be experiences at the Rochester Public Library, the NYS Museum of Transportation, and multiple local parks!

Kindergarten Meet and Greet

Horizons at Warner hosted a Meet and Greet for newly recruited Kindergarten students and their families on Saturday March 9th at the Sully Branch Library. We are so excited for these students to join the Horizons family this summer. Be on the look out for future events at the Sully Branch Library!
