TO: University of Rochester Student Employees

The enclosed notice “*New Health Insurance Marketplace Coverage Options and Your Health Care Coverage*” provides you with some basic information about the new Health Insurance Marketplace. Employers are required to provide this notice to all employees under the Federal Affordable Care Act (ACA).

As a University of Rochester student employee, you are **not** eligible for coverage under the University’s Health Care Plans (employer sponsored), but may be eligible for University-sponsored student health insurance. Additional information and eligibility criteria for student health insurance can be found on the Full-Time Students Health Insurance page on the University Health Services (UHS) website (<http://www.rochester.edu/uhs/studentinsurance/index.html>). If you are under age 26, you also may be eligible for coverage under your parent’s health care plan and we suggest talking with your parents. You also have the right to purchase coverage through the new Health Insurance Marketplace.

More information on the health care reform law and the new Health Insurance Marketplace is available at: www.healthcare.gov.

If you have questions about student health insurance, please contact the UHS Insurance Advisor at insurance@uhs.rochester.edu or visit the UHS website at <http://www.rochester.edu/uhs/studentinsurance/index.html>.

Sincerely,

The Office of Total Rewards
